Appointments at Ecopetrol

Ecopetrol S.A. (BVC: ECOPETROL; NYSE: EC; TSX: ECP) hereby reports that the Board of Directors has approved the creation of the Vice Presidency of Transformation, a department that will report directly to the Office of the President. The petroleum engineer Carlos Alberto Vargas Medina has been appointed as the Vice President of Transformation.

The new Vice President is a graduate of Universidad América and has 23 years of experience in the entire oil and gas integrated value added chain, with an emphasis on drilling, well completion and intervention in the exploration, evaluation, development and production phases, both for offshore projects as well as on the mainland. Over the course of his career, he has held management positions in the United Kingdom, Argentina, Bolivia and Colombia.

As Vice President, he will be leading the Company's Transformation Program, with a focus on new practices in organizational culture, development of business technology, integrated and effective project management and development of an environmental relations model that is aligned with community needs, to ensure fulfillment of the corporate strategy.

In addition, it is hereby reported that Margarita María Escobar has been appointed as the new Secretary General and María Consuelo Rodríguez has been appointed as the new Director of Corporate Affairs.

Bogotá, October 30, 2015

Ecopetrol is the largest company in Colombia and is an integrated oil & gas company; it is among the top 50 oil companies in the world and among the four top ones in Latin America. Besides Colombia - where it generates over 60% of the national production - it has exploration and production activities in Brazil, Peru & the US (Gulf of Mexico). Ecopetrol owns the largest refinery in Colombia and most of the pipeline and multi-product pipeline network in the country, and is significantly increasing its participation in bio-fuels.

This release contains statements that may be considered forward looking statements within the meaning of Section 27A of the U.S. Securities Act of 1933 and Section 21E of the U.S. Securities Exchange Act of 1934. All forward-looking statements, whether made in this release or in future filings or press releases or orally, address matters that involve risks and uncertainties, including in respect of the Company's prospects for growth and its ongoing access to capital to fund the Company's business plan, among others. Consequently, changes in the following factors, among others, could cause actual results to differ materially from those included in the forward-looking statements: market prices of oil & gas, our exploration and production activities, market conditions, applicable regulations, the exchange rate, the Company's competitiveness and the performance of Colombia's economy and industry, to mention a few. We do not intend, and do not assume any obligation to update these forward-looking statements.
